The wireframe shows the 'Reassign Appointments' interface. On the left is a sidebar with navigation links: Dashboard, Appointments, Specialists (selected), Patients, Queue Tracker, Telemedicine, Payments, Emergency Requests, Reports & Analytics, Community Management, and Settings. A 'Logout' button is at the bottom of the sidebar. The main header includes a search bar for patients, specialists, or records, and a user profile for Dr. Aris Vane. The page title is 'Specialists > Dr. Malak Vane > Reassign'. Below the title, a subtitle states: 'Dr. Malak Vane is being removed. 12 active appointments require reassignment.' Three summary cards are displayed: 'Active Appointments: 12', 'Patients Affected: 8', and 'Date Range: Oct 12 – Nov 05'. The 'Appointment Queue' table lists three appointments with columns for Patient Name, Date & Time, Type, and New Specialist. The first two appointments are for Oct 12, 2023, and the third is for Oct 13, 2023. The 'New Specialist' column shows 'Unassigned' for the first and third appointments, and 'Dr. Bastila Shan (Psychiatry)' for the second. A 'Filter' button is located above the table. Below the table is a link to 'View All 12 Appointments'. On the right, the 'Bulk Reassign' panel allows users to quickly distribute appointments to available specialists in the same department. It includes a 'Distribution Mode' dropdown set to 'Distribute Evenly', a 'Target Specialists' section with checkboxes for Dr. Bastila Shan (4/6 slots), Dr. Revan Cole (2/6 slots), and Dr. Juhani Vax (Full), and an 'Apply Bulk Reassignment' button. A 'SithBot' chat icon is visible in the bottom right corner. A 'Final Removal' warning is shown at the bottom of the main content area.

The wireframe shows the 'Patient Management' interface. The sidebar is identical to Figure 13, with 'Patients' selected. The main header includes a search bar for patients by name, specialist, or ID, and a '+ Register New Patient' button. The page title is 'Patient Management' with a subtitle: 'View and manage clinical patient records and history.' Four summary cards are displayed: 'TOTAL PATIENTS: 1,284', 'IN-SESSION TODAY: 42', 'URGENT ALERTS: 03', and 'REPORTS PENDING: 12'. Below the cards is a search bar and 'Filters' and 'Export' buttons. The 'PATIENTS' table lists three patients with columns for Patient Name, Contact Info, Status, Last Visit, Assigned Specialist, and Actions. The first patient is Elena Rodriguez (In-Session), the second is Marcus Chen (Scheduled), and the third is Sophie Laurent (Emergency). Below the table is a pagination bar showing 'Showing 1 to 4 of 1,284 patients' and a '+ Register New Patient' button. At the bottom, there is a 'Recent Activity' section showing a log entry: 'Dr. Sarah Jenkins updated the clinical notes for Elena Rodriguez.' and a 'Telemedicine Upgrade' banner with the text: 'You can now host secure group therapy sessions via the SithCare Portal.
